BITS Pilani KK Birla Goa Campus, Zuarinagar, Sancoale - 403726, Goa, India

EDUCATION

BITS Pilani KK Birla Goa Campus <i>BE in Computer Science and Engineering</i> CGPA: 8.96/10 (First 6 Semesters)	November 2020 - Present <i>Goa, India</i>
Alpine Public School <i>Physics, Chemistry, Maths, Computer Science</i> Class 12: 96.2%	April 2018 - July 2020 <i>Bengaluru, India</i>
Sri Kumarans Childrens Home, CBSE Class 10 CGPA: 9.8/10	April 2012 - April 2018 <i>Bengaluru, India</i>

WORK EXPERIENCE

Software Intern, DevRev.ai <ul style="list-style-type: none">Automated the generation of knowledge base articles from conversations with customers.Created an endpoint for FAQ generation which is now being used in production.Developed a benchmarking tool to score the performance of similar models.	May 2023 - July 2023
Software Intern, DLT Labs <ul style="list-style-type: none">Developed a testing framework for multiple backend services and used test results to improve codebase quality.	June 2022 - August 2022

RESEARCH EXPERIENCE

SenseLab, BITS Goa Guide: Prof. Sougata Sen <ul style="list-style-type: none">Developing angle of arrival estimation methods using the MUSIC algorithm to build localisation systems based on WiFi sensing. Working on synchronisation of data between the ESP-32 microcontrollers being used as receivers.	Ongoing
Adv. Cache Memory, BITS Goa Guide: Prof. Kanchan Manna <ul style="list-style-type: none">Exploring advanced topics in caching such as state of the art cache replacement policies, prefetching and cache coherence.	Ongoing
Research Student, BITS Goa Guide: Prof. Sujith Thomas <ul style="list-style-type: none">Worked on bayesian modelling of relationships between stimuli dimensions and learning strategies of people when classifying data using R programming with JAGS.	Jan 2023 - May 2023

SELECTED PROJECTS

Project Kratos, Autonomous Subsystem 🔗 Site <ul style="list-style-type: none">Core member of the autonomous navigation team at Project Kratos, a BITS Goa Martian rover teamPlaced 1st in India, 2nd in Asia and 20th in the world at the University Rover Challenge 2022, Utah.Worked with OpenCV to develop custom image processing methods for arrow direction detection.Implemented object localisation, path planning and obstacle avoidance algorithms for the rover.	2021-2022
PolGuard 🔗 Link <ul style="list-style-type: none">Client side desktop app for ML based malware detection that sends reports to police side webpage.Winning project at the Goa Police Hackathon 2022 for scalability and usability for the Goa Police.	2022
Genetic Algorithm for the Vertex Colouring Problem 🔗 Link <ul style="list-style-type: none">Implemented the genetic algorithm with crossover reproduce, mutations, culling, elitism and random restarts.Analysed the effects of various hyperparameters on the fitness value of the graph.	2023

TEACHING ASSISTANTSHIPS (TA)

Ongoing	Theory of Computation, BITS Goa
Spring 2023	Artificial Intelligence , BITS Goa
Fall 2022	Discrete Structures for Computer Science, BITS Goa

POSITIONS OF RESPONSIBILITY

Student Mentor

December 2021 - May 2022

Academic Assistance Program

Center for Technical Education

- Conducted tutorial sessions for over 90 students for the courses Mathematics I (*Fall 2021*), Mechanical Oscillations and Waves (*Fall 2021*) and Mathematics II (*Spring 2022*).

Course Representative

Fall 2022

Artificial Intelligence

Association of Computer Science, Goa

- Student intermediary for collecting continuous feedback about issues faced by students. Helped improve course quality by working with the professor.

House Captain

2016 - 2018

Student Council

SKCH, CBSE

- Administration and organisation of literary and sports fests of the school. Managed the logistics of various inter-school events and led the house in inter-house competitions.

SELECTED AWARDS AND HONOURS

- Received the **Kishore Vaigyanik Protsahan Yojana (KVPY)** fellowship for research aptitude from the Department of Science and Technology, Government of India in 2020.
- Received the **100% merit scholarship** from BITS Pilani Goa in 2021, for academically performing in the top 10 of the college.
- Received the **International Award for Young People (IAYP)**, **silver and bronze** awards, for successfully completing requirements in Social Service, Skills, Adventurous Journey and Physical Recreation, awarded by the Award Programme Foundation Trust India, in 2018 and 2017 respectively.
- Received the **Top Performer of the Year** award in 2020 for academic performance in class 12, from Alpine Public School.
- Awarded the **Top Performer Certificate** for the best submissions in the 2021 edition of Quark Summer Technical Projects.

EXTRACURRICULARS

- Secured the **first place** in the the state wide **Goa Police Hackathon 2022** among 40+ teams.
- Part of the **Indian-German exchange programme** in Class 10. Hosted a German partner in Bengaluru during October 2017 and was hosted in Augsburg during April 2018.
- Attended the **4th Summer School on Theoretical Foundations of Computer Science 2022**, organised by the International Institute of Information Technology Bangalore (IIITB).

RELEVANT COMPLETED COURSES

Discrete Structures for Computer Science, Logic in Computer Science, Object Oriented Programming, Data Structures & Algorithms, Database Systems, Programming Languages, Theory of Computation, Computer Architecture, Operating Systems, Computer Networks, Compiler Construction, Design & Analysis of Algorithms, Artificial Intelligence, Machine Learning, Quantum Information & Computing

TECHNICAL SKILLS

- **Programming Languages:** C++, Python, C, Java, Assembly
- **Libraries:** NumPy, OpenCV, Pytorch, Qiskit, Matplotlib
- **Others:** Git, SQL, Vim, ROS, L^AT_EX, Linux, Bash Scripting, Docker
